

CHAPEL

Summer At The Chapel What Do You See?

We don't see the world as it is, we see the world as we are.

"Just then His disciples came back. They were shocked to find Him talking to a woman, but none of them had the nerve to ask, "What do You want with her?" Or "Why are You talking to her?"

The woman left her water jar beside the well and ran back to the village, telling everyone. "Come and see a man who told me everything I did! Could He possibly be the Messiah?" So the people came streaming from the village to see Him. Meanwhile, the disciples were urging Jesus, "Rabbi, eat something."

But Jesus replied, "I have a kind of food you know nothing about."

"Did someone bring Him food while we were gone?" The disciples asked each other. Then Jesus explained: "My nourishment comes from doing the will of God, who sent me, and from finishing this work. You know the saying, "Four months between planting and harvest."

But I say, wake up and look around. The fields are ripe for harvest."

John 4:27-35

1. We can't live what God wants us to live until we see what He sees

"But Jesus replied, "I have a kind of food you know nothing about."

"Did someone bring Him food while we were gone?" The disciples asked each other.

Then Jesus explained: "My nourishment comes from doing the will of God."

John 4:32-34

2. Sometimes we all miss the main thing for our thing

"Come and see a man who told me everything I did! Could He possibly be the Messiah?" So the people came streaming from the village to see Him. Meanwhile, the disciples were urging Jesus, "Rabbi, eat something." John 4:29-31

3. You have to see right in order to do right

"But I say, wake up and look around. The fields are ripe for harvest."
John 4:35

4. Sometimes we need a subtraction to have an addition

"Worship is not a feeling expressed through actions, it's an act of obedience that often leads to feelings."
